INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Housing Options for the Mentally-Ill in Evanston, Inc.
d/b/a Impact Behavioral Health Partners and Subsidiaries

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners and Subsidiaries, which comprise the consolidated statements of financial position as of June 30, 2024 and 2023, and the related consolidated statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners and Subsidiaries as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners and Subsidiaries and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements - (Continued)

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners and Subsidiaries' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners and Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners and Subsidiaries' ability to continue as a going concern for a reasonable period of time.
- We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 16, 2024 on our consideration of Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners and Subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners and Subsidiaries' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners and Subsidiaries' internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
Housing Options for the Mentally-Ill in Evanston, Inc.
d/b/a Impact Behavioral Health Partners and Subsidiaries:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners and Subsidiaries (the Organization) which comprise the consolidated statement of financial position as of June 30, 2024, and the related consolidated statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 16, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

HOUSING OPTIONS FOR THE MENTALLY-ILL IN EVANSTON, INC.
D/B/A IMPACT BEHAVIORAL HEALTH PARTNERS AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Housing Options for the Mentally-Ill in Evanston, Inc. d/b/a Impact Behavioral Health Partners (Housing Options) is a nonprofit organization whose mission is to develop housing opportunities for adults recovering from chronic mental illnesses, provide a network of support services so that each person can live as independently as possible, and advance understanding of mental illnesses and the need for supportive housing.

Housing Options' wholly-owned subsidiaries, Impact Apartments LLC and Impact Floral LLC are holding entities required for Illinois Housing Development Authority funded projects. Housing Options' wholly-owned subsidiary, Impact Brummel LLC is a real estate holding entity.

The financial statements were available to be issued on December 16, 2024, with subsequent events being evaluated through this date.

Principles of Consolidation -

The consolidated financial statements include the accounts of Housing Options, Impact Apartments LLC, Impact Floral LLC, and Impact Brummel LLC. All material inter-organizational transactions and balances have been eliminated. Together all entities are referred to as the Organization.

Basis of Accounting -

The Organization's consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation -

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed stipulations and may be expensed for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of management and the board of directors.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations. Some donor restrictions are temporary in nature; those restrictions will be met either by actions of the Organization and/or the passage of time. Other donor restrictions are perpetual in nature, where the donor has stipulated the funds be maintained in perpetuity.

Investments -

Investments are reported at fair value on the consolidated statements of financial position. Net investment income (loss) is reported in the consolidated statements of activities and consists of interest and dividend income, realized and unrealized gains and losses, less external investment expenses.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Investments - (Continued)

	2024	2023
Investment return is as follows:		
Interest and dividends	$ 58,850	$ 36,272
Realized (loss)	-	(11,552)
Unrealized gain	53,711	37,578
Investment income	$ 112,561	$ 62,298

Account receivables -

Account receivables are carried at original invoice amount, less an estimate made for expected current credit losses. Receivables are measured at amortized cost. An allowance for credit losses that are expected to be incurred is recorded as of the date that a receivable is originated. The allowance reduces the carrying amount of the receivables to the net amount expected to be collected over the assets' contractual term. The determination of the allowance requires the Organization to collectively evaluate receivables by classifying them into pools that share similar risk characteristics such as risk rating, type of receivable, size of the receivable, contractual term, industry type of the debtor, geographic location of the debtor, or date of origination while individually evaluating such assets, if any, that do not possess risk characteristics similar to those in the identified pools.

Management determines the allowance for credit losses based on:

- Available and relevant internal and/or external information about historical loss experience with similar assets;
- Current conditions;
- Reasonable and supportable forecasts that affect the expected collectability of the reported amount of financial assets that have an extended contractual term.

The Organization considers a receivable to be past due when the normal invoice terms have been exceeded. Receivables are written off once they are deemed uncollectable. Write offs are recognized as a deduction from the allowance for credit losses. Amounts previously written off that are now expected to be recovered are included in the determination of the allowance for credit losses.

Leases -

The Organization determines if an arrangement is a lease or contains a lease at inception of the contract. The Organization's operating leases are presented in operating lease right-of-use assets, current portion of operating lease liabilities, and long-term portion of operating lease liabilities in the accompanying statement of financial position.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Leases - (Continued)

Operating lease right-of-use assets and lease liabilities are measured based on the present value of future lease payments over the lease term at each lease's commencement date. As most of the Organization's leases do not specify their implicit rate, the Organization has elected a practical expedient to use the nominal yield, at lease inception, applicable to U.S. Treasury instruments with a maturity of similar length of the lease term.

Operating lease right-of-use assets include all fixed contractual lease payments and initial direct costs incurred by the Organization, less any lease incentives the Organization receives from the lessor. The Organization has elected a practical expedient to account for lease and non-lease components together as a single lease component. Only the fixed lease components are included in the right-of-use assets and lease liabilities. Additionally, the Organization has elected not to apply these lease accounting policies to leases with a term of one year or less at the commencement date.

Operating lease expense for lease payments is recognized on a straight-line basis over the terms of each lease. Variable lease components include CAM, real estate taxes and other charges and are recorded as lease expense as incurred.

The Organization's leases can contain options granting the right to renew or extend the term of the lease for specified option periods. The decision as to whether the Organization will exercise the renewal options is generally at the Organization's sole discretion. The Organization includes lease extensions in the lease term when it is reasonably certain that the Organization will exercise the extension.

Property and Equipment -

Property and equipment are stated at cost, if purchased, or at fair value at the date of donation, if donated. The Organization capitalizes fixed asset additions over $1,000. Replacements, maintenance and repairs, which do not improve or extend the lives of the respective assets, are expensed as incurred.

Depreciation and amortization are computed on a straight-line basis as follows:

Asset Type	Life
Buildings	40 years
Building improvements	15 years
Leasehold improvements	Shorter of lease term or 15 years
Furniture, equipment and vehicles	5-10 years

Management reviews the carrying values of property and equipment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent the carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended June 30, 2024 and 2023.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Notes Payable -

Notes payable with below-market interest rates are discounted to present value using market rates effective at the inception of the note. The discount is recognized as restricted contribution revenue in the year the note is issued. The contribution is considered a donor-restricted contribution because of the time element of the loan. The discount is amortized to expense over the term of the loan using the effective interest rate method. A corresponding reclassification between net assets with donor restrictions and net assets without donor restrictions for an amount equal to the imputed interest expense is recognized as well. Costs incurred to obtain notes payable are capitalized and amortized over the life of the notes payable. Unamortized costs are reported in the consolidated statements of financial position as a direct deduction from the face amount of the notes payable. Amortization of costs is reported as interest expense.

Revenue Recognition for Contributions and Grants -

The Organization recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give; that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met. Contributions resulting from split-interest agreements, measured at the time into which the agreements are entered, are based on the difference between the fair value of the assets received or promised and the present value of the obligation to the third-party recipient(s) under the contract. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the assets, or if they are designated as support for future periods. When a donor restriction expires; that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

A portion of the Organization's revenue is derived from cost-reimbursable state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position.

Contributed Goods and Services -

Contributed goods are reflected as contributions at their fair value at the date of donation and are reported as contributions without donor restrictions unless explicit donor stipulations specify how donated goods must be used. The Organization recognizes the fair value of contributed services if such services a) create or enhance nonfinancial assets or b) require specialized skills that are provided by individuals possessing those skills and would typically be purchased if not contributed.

The Organization's policy related to contributed goods is to utilize the goods to carry out the mission of the Organization. If an asset is provided that will not be used in the Organization's programs, then the asset will be sold.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Allocation of Expenses -

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and benefits, which are allocated based on an analysis of time and effort, building occupancy which is allocated based on square footage, and office and administrative and professional fees which are allocated on a basis of full time equivalents.

Income Taxes -

The Organizations has been determined by the Internal Revenue Service to be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income tax has been established. The Organization files income tax returns in the U.S. federal jurisdiction and Illinois. With few exceptions, the Organization is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for fiscal years before 2021. The Organization does not expect a material net change in unrecognized tax benefits in the next twelve months.

Use of Estimates -

The preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the consolidated financial statements. Accordingly, actual results could differ from those estimates.

Adoption of New Accounting Principle with Respect to Credit Losses -

Effective July 1, 2023, the Organization adopted a new accounting standard under US GAAP that replaced the incurred loss model for measuring the allowance for credit losses with a new model that reflects current expected credit losses (CECL) that are expected to occur over the lifetime of the underlying accounts and notes receivable. The CECL methodology is applicable to financial assets that the Organization measures at amortized cost, including accounts and program services receivable, contract assets, and notes and loans receivable.

The Organization adopted the changes in accounting for credit losses using a modified retrospective method. Upon implementation of the standard, there was no adjustment to beginning net assets.

Reclassifications -

Certain prior year amounts have been reclassified to conform to current year presentation.

(2) REVENUE FROM CONTRACTS WITH CUSTOMERS:

Clinical Services -

The Organization provides Medicaid-funded clinical support services to qualifying individuals in the greater Chicago metropolitan area. Revenue is recognized at a point in time when services are performed and the Organization has no obligation to provide further services. Performance obligations are generally satisfied the same day and revenue is recognized on the date of service. Services are generally provided on an hourly basis and billed to the Illinois Department of Human Services (IDHS) or Medicaid Managed Care Organizations (MCOs) at an hourly rate.

Employment Services -

The Organization has contracts with the IDHS to provide supportive employment services to individuals with various disabilities to assist in obtaining and maintaining community-based, competitive employment. The Organization recognizes revenue for their services at a point in time when performance obligations are met. Performance obligations under the contract include continuous employment for 15, 45 and 90 days of employment. In completion of these performance obligations, the Organization provides a variety of services with the goal of achieving stable employment at competitive compensation rates. Services include, but are not limited to, assessments and evaluations of job readiness, specialized training, and various job seeking skills, including communication, interviewing, etc. Additionally, the Organization provides job retention services, including observation and monitoring, on-the-job training, coaching and follow-up services to ensure job stability and job performance.

Significant judgments by management over employment services include determination of performance obligations under the contract and determination of timing of revenue recognition.

Rental Income -

Rents are recognized as income on the accrual basis as they are earned over time. Advance receipts of rental income are deferred and classified as liabilities until earned. All leases between the Organization and tenants of the property are considered to be operating leases and have terms of one year or less.

Recoveries from tenants are recognized as revenue in the period during which the associated costs are incurred.

Revenue recognition under a lease begins when the lessee takes possession or controls the physical use of the leased asset. Generally, this occurs on the lease commencement date. Lease income, for leases that have fixed and measurable rent escalations, is recognized on a straight-line basis over the term of each lease.

The Organization leases apartments to eligible applicants under operating leases which are substantially all on a yearly basis.

(2) REVENUE FROM CONTRACTS WITH CUSTOMERS: (Continued)

Accounts receivable related to revenue from contracts with customers are $670,407 and 322,842 at June 30, 2024 and 2023, respectively. There were no contract assets or contract liabilities as of June 30, 2024 and 2023.

Disaggregation of revenue by point in time and over time for the years ended June 30, 2024 and 2023 were as follows:

	2024	2023
Over time		
Rental income	$ 153,831	$ 136,999
Point in time		
Clinical fees	1,962,019	1,598,255

Insurance reserve	21,681	20,589
Replacement reserve	47,244	44,866
Furniture reserve	27,209	25,840
Real estate taxes reserve	23,228	22,059
	$ 261,154	$ 248,007

(4) ACCOUNTS RECEIVABLE:

Accounts receivables are comprised of the following:

	2024	2023
Clinical services	$ 553,160	$ 172,095
Employment services	109,872	146,996
Participant rental income	7,375	3,076
Total	$ 670,407	$ 322,167

(5) PROPERTY AND EQUIPMENT:

The components of property and equipment are as follows:

	2024	2023
Land	$ 1,269,230	$ 1,269,230
Buildings and building improvements	6,815,398	6,772,581
Furniture, equipment and vehicles	132,230	122,915
	8,216,858	8,164,726
Less accumulated depreciation and amortization	3,051,521	2,749,194
Property and equipment, net	$ 5,165,337	$ 5,415,532

Substantially all of the Organization's land, buildings and building improvements are pledged as collateral for the Organization's notes payable.

(6) FAIR VALUE MEASUREMENTS:

The Organization reports the fair value of its investments in accordance with the fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

There are three levels of inputs used to measure fair value. The definition of each input is described below:

Level 1 - Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

(6) FAIR VALUE MEASUREMENTS: (Continued)

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Mutual funds, money market funds and exchange-traded funds are reported at fair value based on quoted prices in active markets.

Investments consist of the following at June 30, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 657,142	$ -	$ -	$ 657,142
Money market funds	930,296	-	-	930,296
Exchange-traded funds	172,759	-	-	172,759
Total investments	$ 1,760,197	$ -	$ -	$ 1,760,197

Investments consist of the following at June 30, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 347,066	$ -	$ -	$ 347,066
Money market funds	487,433	-	-	487,433
Exchange-traded funds	165,152	-	-	165,152
Total investments	$ 999,651	$ -	$ -	$ 999,651

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the consolidated statements of financial position.

(7) NOTES PAYABLE:

The Organization's obligations under notes payable consist of the following:

	2024	2023

(10) IN KIND CONTRIBUTIONS:

During the years ended June 30, 2024 and 2023, the Organization received the following contributed goods and services:

	2024	2023
Contracted psychiatric services	$ 28,840	$ 28,700
Rent	95,760	95,760
Goods/supplies	5,430	12,035
Total	$ 130,030	$ 136,495

Fair value of in-kind contributions is determined as follows:

Contracted psychiatric services: The Organization was the recipient of contracted psychiatric services at no cost for its programs. Contributed services are valued based on standard rates charged for similar services. Contracted psychiatric services are included in professional fees under program services on the consolidated statements of functional expenses for the years ended June 30, 2024 and 2023.

Rent: The Organization leases a 6-unit apartment building from a donor for which it pays $1 on an annual basis for rent. The donated rent is valued at the fair market value as determined by the U.S. Department of Human Services for similar units in the area the building is located. The donated rent expense is included in building occupancy expenses under program services on the consolidated statements of functional expenses for the year ended June 30, 2024 and 2023.

(10) IN KIND CONTRIBUTIONS: (Continued)

Goods and supplies: The donated goods and supplies are used by the Organization for program services and fundraising. These items include food, clothing, bedding, gift cards, and other various supplies used for programs. The Organization valued at fair value using estimated wholesale prices of identical or similar items using pricing data under a "like-kind" methodology considering the items' condition and utility for use.

(11) CONCENTRATION OF CREDIT RISK:

The Organization maintains its cash and restricted cash in bank accounts which, at times, may exceed federally-insured limits. Cash and restricted cash in excess of federally insured limits totaled approximately $182,000 as of June 30, 2024 and 2023. Management believes that the Organization is not exposed to any significant credit risk on cash.

(12) RETIREMENT PLAN:

The Organization sponsors a tax-deferred annuity plan qualified under Section 403(b) of the Internal Revenue Code (the Code) for eligible employees. All employees are eligible upon hiring and are fully vested immediately. The plan provides for discretionary contributions. During the years ended June 30, 2024 and 2023, the Organization made discretionary contributions equal to 1.5% of compensation for qualified employees. Employees may make contributions to the plan up to the maximum amount allowed by the Code. Contributions to the plan totaled $42,019 and $32,456 for the years ended June 30, 2024 and 2023, respectively.

(13) CONDITIONAL GRANTS RECEIVABLE:

The Organization has a conditional grant of $1,456,175 to provide rental assistance subsidies for eligible units in the Organization's buildings. The Organization met grant conditions and recognized $17,814 and $18,648 of revenue during the years ended June 30, 2024 and 2023, respectively. The revenue is included in grants and contributions in the consolidated statements of activities. The remaining conditional grant amounts, for which conditions have not been met is $1,364,585 at June 30, 2024. The conditional grant expires in September 2034.

The Organization has a conditional grant receivable of $1,207,772 to provide rental assistance subsidies for eligible units in an Organization building. The Organization has not met grant conditions and has not recognized grant revenue. The conditional grant expires in July 2038.

(14) CONCENTRATION OF REVENUE AND ACCOUNTS RECEIVABLE:

Approximately 29% and 23% of the Organization's total revenue for the years ended June 30, 2024 and 2023, respectively, was provided from the U.S. Department of Housing and Urban Development and the Illinois Department of Human Services.

The following summarizes the Organization's revenue from the U.S. Department of Housing and Urban Development and the Illinois Department of Human Services as of June 30, 2024 and 2023:

	2024	2023
U.S. Department of Housing and Urban Development	$ 379,846	$ 533,703
Illinois Department of Human Services	1,722,878	1,451,383
Total	$ 2,102,724	$ 1,985,086

Additionally, approximately 19% and 29% of the Organization's receivables at June 30, 2024 and 2023, respectively, are from the U.S. Department of Housing and Urban Development and the Illinois Department of Human Services.

(15) COMMITMENTS:

The Organization has entered into contracts for construction of a residential building for its housing program. During the year ending June 30, 2025, the Organization expects to incur costs of approximately $2,000,000. All costs will be funded from the Organization's IHDA and Cook County loans (see Note 7).

(16) RELATED PARTIES:

The Organization received $28,657 and $43,153 in contributions from board members during the years ended June 30, 2024 and 2023.

(17) LIQUIDITY AND AVAILABILITY:

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year, comprise the following:

	2024	2023
Financial assets:		
Cash	$ 456,022	$ 705,824
Investments	1,760,197	999,651
Accounts receivable	670,407	322,167
Grants and contributions receivable	473,308	584,086
Restricted cash – reserve deposits	261,154	248,007
Total financial assets	3,621,088	2,859,735

(17) LIQUIDITY AND AVAILABILITY: (Continued)

	2024	2023
Less: Amounts not available to be used within one year		
Net assets with donor restrictions	$ (100,553)	$ (142,953)
Restricted cash - notes payable reserves	(261,154)	(248,007)
Total amounts not available to be used within one year	(361,707)	(390,960)
Financial assets available for general expenditures within one year	$ 3,259,381	$ 2,468,775

The Organization's goal is to maintain enough financial assets to meet 6 months of operating expenses.

The Organization manages its liquidity and reserves adhering to the following principles:

- Operating within a prudent range of financial soundness and stability;
- Maintaining adequate liquid assets to fund near-term operating needs;
- Maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.
